

The Beautiful Land

גיני וורקמן מלן

He will also enter the Beautiful Land...

A photographer's portrait of Israel

The Beautiful Land was created in conjunction with '*Do You Know My Name?*', a book by the author documenting individuals whose lives have been devastated by terror. Their faces, unidentified, are included in these pages; their loss, courage and resilience indelibly woven into the rich tapestry that runs through both the Jewish people and this ancient land.
